

EMPLOYEE NOTICE

To: Macomb Township Employees and Board of Trustees
From: Janet Dunn, Supervisor
Date: May 28, 2014
Subject: Macomb Township Safety Committee Update

The Macomb Township Safety Committee continues to actively meet and work to address issues with regard to Macomb Township employee safety. The Macomb Township Safety Committee is composed of Township employees, and its purpose is to report and subsequently address any hazards or safety exposures for fellow employees or the general public using Township facilities. It is important for Township employees to notify a Safety Committee member if there are any issues as soon as possible. The committee will continue to meet at least on a quarterly basis and will be available to address issues as needed when appropriate.
